Why Sweetwater Mission

A trusted community anchor for families across the region.

Since **1968** Sweetwater Mission has stabilized families by providing basic needs and transformed lives through education and employment opportunities.

- Serves Cobb, Douglas, Paulding and Southeast Fulton counties.
- **Mission:** prevent hunger and homelessness while transforming lives.
- **Education** and workforce development are core priorities.
- **Austell location** creates a strong access point for West Cobb and surrounding communities.

This program is not just job training—it is family stabilization through employment.
